#### GETTING THERE

We would encourage conference attendees to use the most sustainable mode(s) of transport where possible.

#### BY TRAIN/ SHUTTLES

Hull Paragon Interchange is an integrated railway and bus station and is the main railway station serving the city of Hull. It is operated by Transpennine Express, and also served by Hull Trains, Northern Rail and Virgin Trains East Coast.

We will be offering shuttle bus transfers during conference registration times (13:00-18:00) on Sunday. These will not be running directly from the station due to stopping restrictions, but from the DoubleTree by Hilton which is a short walk from the train station (less than five minutes). Therefore, shuttles will be running between the DoubleTree by Hilton and the Premier Inn Hull City Centre (for registration), and then from the Premier Inn Hull City Centre to the University on Sunday evening (for the Informal Dinner), Monday and Tuesday (for the conference sessions).

The shuttle bus from the DoubleTree by Hilton to the Premier Inn Hull City Centre will take approximately 10 minutes, and the shuttle from the Premier Inn Hull City Centre to the University should take around 15 minutes.

A full shuttle schedule will be sent out with the joining instructions and will be available on the website closer to the event.

For train times, visit [National Rail Enquiries](#).

The University is not within advised walking distance from the train station.
