

# TouchNet Marketplace

Handling payments for all of the departments, organisations, and merchants on campus can be overwhelming. Let Marketplace bring some calm to the chaos.

## Customisable Digital Storefront Management

With Marketplace, campus entities can easily create, manage, and operate online storefronts, registration sites, and secure payment pages featuring:

- Unlimited storefront capacity
- A flexible product database
- An integrated inventory management system
- Omnichannel solutions

## Marketplace uStores

Marketplace uStores let students, parents, alumni, etc. shop online, register for events, or make donations anytime, anyplace. As they do, Marketplace automatically updates the General Ledger in the campus finance system.

## Flexibility

Marketplace works for online sales event registrations, short courses and CPD, memberships, donations, parking passes, merchandise, library fines, sporting events, study abroad programs, and more.

## Custom Storefronts

Customise individual stores with branded style sheets, images, layouts, pricing, promotions, etc.

## Recurring Payments and Donations Options

Allow for one-time or recurring payments, donations, fees, etc.

## Update Finance Systems

Feed transactions to your ERP finance system and assign codes to individual stores, products, or sites.

## Marketplace uPay Centralised Payment Gateway Processing

Marketplace uPay provides secure, PCI-compliant payment processing that moves campus-wide payments into one centralised, certified payment system.

Integrated with **more than 200 TouchNet Ready Partners**, uPay collects all the payment information in a secure environment, updates the G/L, and returns it to the original application.

Our Omnichannel payment systems create efficiency, better data security, and easier compliance with industry regulations. By scaling payment volume through a single platform, TouchNet creates efficiencies and reduces costs.

The TouchNet Ready™ Partner Program delivers security and savings by simplifying vendor payments on your campus. Find our partner directory here:
